

Special Issue

Special Issue "Cancer Research: State-of-the-Art Research in India".

Guest Editors:

Surendar Aravindhhan, Ph.D.

(Adjunct Lecturer, Saveetha University, India. He is working in School of Pharmacy, Saveetha University, Kancheepuram, Tamil Nadu. He has contributed to research in Computer science and medicine.

N. Arvinth, MS

National Institute of STEM Research, India. He has contributed to research in Biology.

Published Papers (20 papers)

Table of Contents

[Drug Repositioning and Response Detection Based on Randomized Control Trials for Cancer Treatment - A Review](#)

Aman Chandrakar ¹, Chetan Kumar Sonkar ²

[A Review of Potential Roles for Micro RNAs as Drugs Sensitivity Biomarkers in Breast Cancer](#)

Monika Barsagade ^{1*}, Ravi kishore Agrawal ^{2*}

[Evaluation of Cardiac Reserve Using Echocardiography for The Detection of Mild Cardiac Dysfunction in Mice - A Review](#)

Sanjay Kumar Mire ¹, Deepak Kumar Sahu ²

[Evolution of Genes and Transcripts Modifies Drug Sensitivity in Cancer Cell Lines - A Review](#)

Krishna Sahu ¹, Urvashi Jain ²

[Discovering Novel and Old Drug Targets in Oral Cancer Stem Cells Using bio-inspired methods - A Review](#)

Vijay Kumar Jaiswal ¹, Mahendra Kumar Verma ²

[Impedimetric Sensor Aided by Polydopamine Nanoparticles for Label-Free Detection of Breast Cancer Cells - A Review](#)

Bhuneshwari Dewangan ¹, Naina Bhoyar ²

[Analyzing The Risks, Benefits, and Therapeutic Potential of Cannabis And Cannabinoids in Tumor Therapy - A Review](#)

Poorti Sharma ^{1*}, Lukeshwari Sahu ¹

[Review on Health And Quality of Life of Elderly People: A Meta-Analysis from The Medical and Health Sciences](#)

Ashish Agarwal ^{1*}, Sachin Pradhan ²

The Clinical, Histological, and Immunohistochemical Features of Bone Metastases - A Review

Ragini Patel ^{1*}, Yogendra Sahu ²

Hydrophobin-Coated Niosomes as Drug Carriers in Lung Cancer Cells - A Review

Srishti Namdeo ¹, Chandrapratap Dhimar ²

Predictive Modeling of The Chronic Pain-Induced Depression in Old Adults Based on Music Intervention

Birendra Kumar Sahu ¹, Chiranjeev Singh ²

Analysis of Semi-Rural and Urban Hypertension Prevalence Using WHO Measures

Sumit Kumar Agrawal ¹, Tripti Dewangan ²

Menopause-Related Insomnia, Cognitive, Behavioral, and Mindfulness-Based Treatments

Venu Anand Das ¹, Jitendra Sinha ²

Epidermal Growth Factor Receptor and Double-Imprinted Nanoparticles for Targeted Cancer Drug Delivery - A Review

Lakhan Lal Kashyap ¹, Harish Jaiswal ²

Identifying Thyroid Dysfunction Using Standard Laboratory Testings – A Systematic Review

Vinay Jaiswal ¹, Prachi Gurudiwan ²

Screening for Oral Cancer Using Brush Biopsies and DNA Image Cytometry - A Review

Pranjali Verma ¹, Shikha Kumari Rajak ²

The Effect of Naturally Occurring Dietary Chemicals and Food-Borne Mycotoxins on DNA Methylation and Cancer - A Review

Moniza Nurez Khan ¹, Naresh Chandravanshi ²

Analyzing the Influence of Initial Diagnosis on Interpersonal Problem Trajectories in Residential Treatment for Eating Disorders - A Review

Hemlata Dewangan ¹, Neetish Kumar ²

Physical Activity Correlates With The Aging Process in Seniors Broadly - A Review

Bhuneshwari Dewangan ¹, Naina Bhojar ²

Journal of Angiotherpay

Special Issue 2023

Vol 7 Issue 2

Published online Dec, 2023

Brain-Computer Interfaces Can Significantly Improve The Quality of Life for Aged People - A Review

Sanjay Kumar Mire ¹, Deepak Kumar Sahu ²
